Dear friends,

After successful fund raising for two recent cases in 2013, GAABESU Emergency Sub-Committee launches another fund drive for Sounak Bhadra, a final year MIN student.at BESU. We are forwarding the following note from Prof I N Sinha, 82MIN, an executive committee member of GAABESU and a senior faculty of Mining Engineering Department, BESU for some information. An appeal with more medical and financial information from Sounak's father is attached here too.

We intend to provide payment information in USA, Canada and Middle East separately. Anyone wants to volunteer to raise fund in your local country, please contact Bhaskar Dasgupta (copied here). However, you are welcome to donate directly to GAABESU accounts from India and Abroad immediately. A separate page for Sounak will be created at http://www.becollege.org/members/ActiveCases.asp with additional information.

Subject: Help needed for a student

Our student Sounak Bhadra has suffered a major cerebral attack. He has blood clot in brain region and his one side has remained paralysed for the last ten days. As of now he is undergoing treatment at CMRI Kolkata. Doctors have done their best and he has responded positively to the treatment so far. But for complete recovery he needs to undergo super speciality treatment at AIMS New Delhi. The treatment is costly as he may be needing upto four shots of a drug for which a single administration costs something around three lakhs. His father has appealed for help. Meanwhile our emergency fund committee may consider the matter.

Prof Indra N Sinha
Professor Department of Mining Engineering
Bengal Engineering and Science University, Shibpur
--- ---

GAABESU will acknowledge each donation via our monthly fund update, issuing 80(G) certificates to donors in India and publishing complete list at http://www.becollege.org/members/FinalYearMin.pdf
