Policy for accepting submittals for publication:

Please send your comments and relevant information/materials for publication to gaabesu@gmail.com and write "Alumni Link" in the subject line. The following guidelines are followed in accepting materials for publication:

- 1) Comments, observations, & suggestions about any alumni activities & BESU;
- 2) Personal and professional accomplishments that you want to share with your fellow alumni;
- 3) Local news, event announcements and event/chapter reports;
- 4) Batch news, event announcements and reports;
- 5) Looking for friends;
- 6) Looking for help;
- 7) Anything you feel appropriate for the alumni community.

As long as the message does not attack anyone personally and/or contain any hidden political agenda, we will publish them as-it-is. Electronic newsletters are published in every two months but alumni web site is updated continuously. You may submit your articles anytime.

VC and New Era at BESU

Although the three-member committee to select the new VC did not have a chance to take a look at the criteria we articulated in our last editorial, it has been a pleasant surprise to note that they picked a candidate who matches the criteria in almost all aspects. Thus, we believe that with the appointment of Prof. Ajoy Kumar Ray ('74ETC) as new VC, the long nightmare at the campus will come to an end. But, we do not have any illusion to think that the task to regain BESU's status as a premier engineering institution in India will be easy. Since Dr. B. Sen left, the situation at BESU had deteriorated so much during last 12/13 years, that it is now a "lost decade" in the history of our beloved college.

With the appointment of new VC, we have noticed a remarkable positive change at the campus. Prof. Ray has already met with all stakeholders of the institute and articulated his vision to bring higher educational standards, discipline, peace, rule of law and camaraderie back to the campus to complete BESU's journey to become an Institute of National Importance soon. He has already put into operations a no. of steps to make his vision a reality.

We, at GAABESU, applaud his efforts and promise to help him in his endeavor to make our beloved college top technical institution again. We are happy to note that he has already taken some steps to implement a number of recommendations from the report prepared by the GAABESU representatives on the causes and remedies of recent student unrests in the campus. The said report was handed over to him during a recent meeting. GAABESU promised to work with him to make BESU a top technical institution.

"Ajoy", we at GAABESU welcome you back at our hallowed campus. We hope you will be the new architect of our "Grand Old College" and transform it to a grander place. We are happy to note that by becoming a member of GAABESU, you have accepted us and indicated your intention to work with us to take our Alma Mater to a greater height. We extend our good wishes and promise to help you to make our Alma Mater a world-class institution in both education and research in engineering and science.

May God bless our *Alma Mater!*

Note: The editorial is representative of the thoughts and beliefs that are solely the editor's and is not representative of the official position of GAABESU.

BESU ACTIVITIES

Appointment of VC at BESU

Prof. Ajoy Kumar Ray ('74ETC), Professor and Director of School of Medical Science and Technology, IIT-Kharagpur, has joined Bengal Engineering and Science University [\[Click here for details\]](#) as its new Vice Chancellor on March 1.

A Message from the VC on March 30

My dear and esteemed Alumna/Alumnus,

Please accept my personal regards and best wishes and convey the same to the members of your family. I consider it a rare privilege for an alumnus of B E College to be associated with this great University as its Vice Chancellor. This day reminds me of the contributions of all of you, including many others, who have built this institution/university over a period of one hundred and fifty three years, with dedication and tireless efforts. I consider it my humble duty to pay my respect to each one of you (along with many others) with gratitude.

Immediately after joining BESU, I have met all the teachers and members of administrative staff of BESU. I have visited almost all the departments and this week I will visit the schools of BESU. I am extremely happy to note that I am getting excellent support from our teachers and students as well as the administrative staff in BESU in shaping our institution to make it one of the best in India. I have been receiving guidance from some of our great and eminent retired teachers, alumni and academic administrators, whose love and commitment to the cause of achieving excellence in BESU, is a driving force to all of us. On behalf of the university I am grateful to each one of them. Please allow me now to present before you the following tasks, which I feel needs immediate attention. In implementing some of these tasks I need your help, which will be gratefully acknowledged by all of us – teachers, students and staff of BESU.

Task 1: Bringing back a sense of unity and fraternity amongst the entire students' community, so that our academic programs can run smoothly, with accelerated vigor.

I am happy to announce that the entire student community, in a rare display of solidarity and fraternity, took the following oath on 16th March, the *Samhati Dibas*, at Lords ground, in the presence of Professor In Charge of Students Affairs (PICSA) and all other professors and faculty members of BESU.

- (i) We feel proud to be a part of the rich and glorious heritage of one hundred and fifty three years of Bengal Engineering and Science University (BESU), Shibpur

- (ii) We understand that we will achieve excellence in academics only when there is a resonance in our combined will of making our university, one of the best in the country.
- (iii) We take this pledge today that we will, for ever remain united and live with a sense of fraternity and solidarity to make our university a truly great one.
- (iv) We resolve not to do anything that tarnishes the reputation of our university.
- (v) We also pledge to dedicate the fruits of all our good work to the services of our nation.

During many interactions with the students, I found the students community, both undergraduate and postgraduate, to be extremely cooperative and they are eager to work hard for achieving academic excellence.

Task 2: To ensure that the students' unity and solidarity is maintained for ever, we need to engage them through various cultural and sports programs.

It is encouraging to note that those BESU students are doing well in various games and sports. PICSA along with our Superintendents of hostels/halls have done commendable job in promoting sports and games in BESU through various means. The students need avenues where they can demonstrate their creativity in cultural activities, such as, dramatics, music, photography, painting and so on.

With the above objective in mind, we have decided to start various societies amongst the students, such as dramatics society, music society, photography society and so on.

Also we are planning to start a "Students' Technical Activity Centre", where they can design and fabricate models, gadgets and so on. I am extremely happy to note that a large number of students are meeting me to create facilities so that they can take up such projects. We are committed to providing all support and guidance in this regard.

A 'Space Planning Committee', comprising of our senior Professors has been constituted to identify, amongst other things, the location where such societies can be located. The old Slater Hall or the Baby Slater Hall may be the possible locations. Your help in implementing these programs will be ever remembered by the students of BESU.

Task 3: To create an academic calendar for the entire institute.

We have already prepared the academic calendar (not a detailed one) for the current and next semester. Our Deans and Controller of Examinations have worked hard to complete this task. Now the complete academic calendar, showing the examination schedule, university holidays, reunion and students technical festival finalized, this will be presented to the students, teachers and staff members right in the beginning of the year. I have appealed to the students,

Alumni Link

A publication of the Global Alumni Association of
Bengal Engineering and Science University, Shibpur

faculty and the staff to kindly cooperate in ensuring that this academic calendar is maintained with utmost seriousness and sanctity. I am happy that everyone has assured cooperation.

Task 4: To encourage our young faculty to initiate more research, through sponsored research programs in BESU.

The importance of carrying out innovative research cannot be over emphasized in an Institute of National Importance. BESU is indeed blessed with the association of some of our country's greatest teachers and researchers in various departments and schools. I am happy to announce that many eminent academicians, who are alumni of BESU, are now providing excellent services for BESU. They are actively engaged with our research and teaching programs.

It is heartening to note that there exists an ocean of creativity and talent amongst the faculty and the students of BESU. Considering the fact that there are several constraints like space, infrastructure, fund and so on, the research being pursued by many faculty members is indeed praiseworthy. Yet, we must all agree that we need to do much more. On the part of the BESU administration, I am committed to provide all possible encouragement and environment to promote more research in BESU. The following actions have been initiated:

- (i) Our Library needs modernization with more reference books, research journals (both hard copy and on line). We are going to subscribe online journals including Science Direct, IEEE Transactions (multiple user licenses) and more, depending on the fund condition, which as you know is indeed meagre.
- (ii) A new sponsored research and consultancy cell will be created with sufficient number of administrative staff to ensure smooth completion of the sponsored and consultancy projects. We are motivating our faculty to take more number of such research projects from various government agencies, national and transnational industries. Several incentives have been declared during my meetings with the teachers for initiating sponsored and collaborative research at the institute.

Here I will seek your assistance in many forms – direct or indirect. We need excellent researchers to guide and steer the research activities. We need many good teachers in a number of departments and schools to reinforce the existing system. I look forward to getting your support here.

Task 5: BESU with its long and profound heritage of one hundred and fifty three years needs to create a museum where this remarkable and marvelous story of evolution can be preserved through photographs, documents, models and so on. This appears to me as an extremely urgent task, which can be initiated only with your assistance.

programs etc is under preparation by this committee. The calendar will be circulated to everyone for opinion, before finalization. Once it is

Task 6: Need to create a robust academic administrative structure and amend some of the rules and regulations. We are in the process of amending some of the provisions in our statutes and regulations to ensure an enhanced level of academic activities. The university professors, registrar and the administrative staff have extended their full cooperation in all such matters.

Also BESU had earlier initiated a project for automating the entire administrative procedures. We will ensure that the entire academic program, including students' registration, research scholars' enrolment, students' attendance and so on will be done on line.

Task 7: Need for augmentation of more industry – academic interaction. This is another prime area in which we should focus to ensure that more industry sponsored projects can be initiated here. We need active support of our alumnae/alumni in this effort.

Task 8: During the post globalization era, it is extremely important, rather mandatory, to have more collaboration with universities abroad. Currently we are identifying our strength and weaknesses and we will be back to you again with details on this issue. I am sure that we will get your support in this effort as well.

There are many other issues like creating a central research facility, ensuring more publications by the students, creating new areas of research and studies, solving accommodation problems for students, teachers, staff and also mess workers to make the university completely residential, and so on. I will surely not bother you with all the tasks ahead of us.

All of us remember the old clock tower of B E College, which was a landmark during our student days. This symbolic tower reminds us of our obligations towards the older generation and our responsibilities towards the future generations in ensuring a healthy, strong & self reliant India. I will be immensely glad to have your feedback, suggestions and your active support in ensuring that we become one of the best in India.

With support from all of you, we are determined to make our endeavor a success. In the words of Gurudev Rabindranath Tagore –

*"Let all our songs
Gather together their diverse strains
Into a single current leading to an ocean of light
- we salute thee".*

On behalf of myself and my family, let me once again convey our respects and best wishes to you all.

March 30, 2009 Prof. Ajoy Kumar Ray, e-mail: vc@becs.ac.in

Unity, Solidarity & Fraternity at BESU!

- Submitted by PICTSA

Our new Vice Chancellor, Prof Ajoy Kumar Ray, expressed his desire to address all the students and administer oath to them for Unity, Solidarity & Fraternity at BESU in a ceremony on March 16. He asked PICTSA to organize this ceremony. He also suggested the name of the programme to be "Chatra Sanghati".

On 15th March 2009 at about 1:00 PM, I called a group of students at Netaji Bhavan to share my ideas with them on "Sanghati", which means – Unity, Solidarity and Fraternity and how to achieve our final goal of academic excellence. Though the time was very short and a lot had to be done, the students took it as a challenge. They assured, Sir, it will be done in time for the ceremony.

By evening, the students had beautifully and appropriately crafted out the idea of representing "Sanghati".

The word "Sanghati" was depicted as a painting of three symbols namely – The Human Fist, The Rising Sun and The Human Mind respectively on three separate scrolls of cloth. The Human Fist stood for Unity, Solidarity and Fraternity. The Rising Sun stood for Prosperity and the Human Mind engrossed in thought stood for academic excellence.

Refreshing campus activities – photos and a report

- Submitted by PICTSA

"...On 14th March, (Saturday), when I was taking an early morning walk around the campus, I saw some of our boys playing cricket at the Lords. I went ahead to enquire – why so early? They replied – "Sir, to-day is our last day of the tournament and we are so cramped up with number of matches to be played that unless we start playing early morning, the tournament would not be completed by 9:00 PM. I was quite touched and amazed to see the enthusiasm & dedication of the students. Therefore, I got all the reasons to believe that our students can do wonders...." [Click [here](#) for the report]

GAABESU ACTIVITIES

GAABESU Team Meets New VC

A team comprising of the following GAABESU members met Prof. Ajoy Kumar Ray, Vice Chancellor at 2-30 PM on March 4 at the GAABESU office on the third day after assuming his new office:

1. Arun K. Deb ('57CE) – Vice President
2. Amitabha Ghoshal ('57CE) – EC Member and Past President
3. Syama P. Datta ('67CE) – Working President
4. Amitabha Datta ('74CE) – EC Member and Chairman, Membership Sub-committee
5. Santanu K. Karmakar ('83ME) – Hony. Secretary

At first, the team extended hearty welcome to the new Vice Chancellor on behalf of GAABESU. Then the members introduced themselves. He responded very positively and expressed happiness to come back to the campus after 35 years to serve his Alma Mater. In his opening remark, he thanked all his predecessors for contributing to the development of BESU. He said that by third day of his taking over charge, he already met representatives of the BESU community [[Click here for details](#)].

GAABESU Membership Update

We welcome the following alumni who joined GAABESU as members since our last publication:

Bengal Engineering and Science University, Shibpur

Promode Ranjan Dutt ('55CE); Indranath Sinha ('82MinE); Nirmal Basu ('74CE); Biman Bandyopadhyay ('84CE); Ajoy K Ray ('74ETC); Dipankar Mukherjee ('74CE); Sujitendra Nath Chakraborti ('71CE); Ritwik Datta ('73CE); Sharbaroop Mallik ('96EE); Anandapran Gupta ('59CE); Amitabha Ghosh ('62 ME); Amitabha Dasgupta ('57CE); Pradip Kumar Ray ('65CE); Arup Kumar Datta ('89MetE); Sourindra M Bose ('60EE); Pradip Saha ('90EE).

Fund Drive for Dipak Majumder ('74ME)

- Submitted by Amitabha Datta, '74CE

Dipak Mazumder ('74ME) is suffering from major kidney ailment. Both of his kidneys are affected badly. The condition is such that he is now in a stage to receive dialyses twice a week. As per the doctor, he needs to continue with this till he is in a state to undergo the kidney transplantation. If he can keep up with the present treatment the operation can take place some time in 2010. Considering the hardship and financial burden, the family is passing through, 1974 batch mates have created a medical help fund by raising money and we request GAABESU to coordinate this fund drive. For more information please click [here](#). We thank the following donors (as of April 14) for helping Mr. Majumder.

Donations received by GAABESU office:

Kaustubh Dasgupta; Pradipta Sinha; Prosenjit Chakraborty; Dipta S Mallick; Sudip K. Mukherjee; Saurav K Chakravorty; Alok Gupta; Bhaskar Ghosh ('98 MetE) and following members of '74 batch: Nirmal K Bhattacharyya (EE); Dipankar Mukherjee (ETC); Nirmal Basu (CE); Sankar N Banerjee (CE); Dhruves Basu (ME); Manik C Banerjee (CE); Jagat M Ghosh (ME); Sanjoy K Chakraborty (CE); Abhijit Datta (CE); Subhankar De (EE); Ajoy Sarkar (CE); Ansuman Bhattacharya (CE); Alok K Bhattacharya (CE); Aniruddha Banerjee, (ME); Goutam De (CE); Amarnath Mallik (ETC); Ajoy Kr Ray (ETC); Pradipta banerjee (CE); Ashish Dutta (ME); Saibal Chatterjee (ETC); Swapan Deb (CE); Parimal Ghosh (CE); Sandwip Guha Niyohi (CE); Shyamal Kr Chaudhury (CE); Subhankar De (EE)

Donations received by USA Organization:

Ashesh Banerjea, VA and Shyam S. Ganguly, CA

Note: GAABESU Office reimbursed INR 1 lakh to Dipak Majumder on March 31.

Fund Drive for Arindam Saha, PG-Student, ETC

- Submitted by Lt. Col. A.K.Ghosh (PICSA)

Arindam Saha, a first year PG student in the ETC Department, is suffering from Kidney failure and likely needs transplantation. Some students of his department recently met me and told me that his father is a school teacher and does not have enough financial strength to meet the entire cost. Presently he is admitted in SSKM hospital under Dr Pandey. I have told my students to raise some fund from amongst the students but it will be a great help if GAABESU can do something for Arindam Saha [Click [here](#) for details].

Funds Received by GAABESU Office as of April 14, 2009:

Swapan Sarkar (Faridabad, India); Class of 1977; Samit Datta ('81 ME); Sambaran Mitra ('98ETC); Saibal Chatterjee ('74 ETC); Ajoy Kr Ray ('74ETC); Sanjoy Kr Adhikari ('88ME)

Funds Received via On-line Payment as of April 14, 2009:

Joy Varughese ('98EE, NV); Asis K Das ('80ME, TX); Bhaskar Thyagarajan ('83EE, VA); Sombuddha Chakraborty (CA); Saswata Misra ('94CST, NJ); Neelanjan Bandyopadhyay ('07ETC, Kolkata); Susobhan Ghosh ('69CE, TX); Niladri Sannigrahi ('01CE, CA); Swapan Saha ('88EE, CA); Siddhartha Basu ('78ETC, NY); Rajib Maitra ('97CST, CA); Ayan Basu ('01CE, Bangalore); Baljeet Dhaliwal ('92ME, British Columbia); Amitabha Bhaumik (NY, USA)

GAABESU EC Election 2009-11

EC in its last meeting held on 28th February, 2009 formed an Election Commission of 3-member team comprising of the following Alumni (Life Members):

- (i) Prof. Jamini Kanta Das ('62EE) – Chairman
- (ii) Dr. Somnath Chakrabarti ('78ME) – Member
- (iii) Dr. Apurna Kumar Ghosh ('93MinE) – Member

Nomination in a prescribed form needs to be submitted latest by April 30. Last date of withdrawal of nomination is May 8. The Election Commissions will verify all nominations and the final list will be sent to all members by May 12. If needed, election will be held on June 06. Valid ballot paper will be dispatched by May 15 to those alumni residing in India, having no e-mail ID. Postal ballots must reach to the GAABESU office by 5:00 PM on 6th June, 2009. If number of nominations is less than the total number of seats of 27, all valid nomination will be declared elected. The result of the election shall be declared by the election commission at the Annual General Meeting to be held on Saturday the 13th June, 2009.

Immediately after the Annual General Meeting on the June 13, the outgoing Honorary Secretary shall convene a joint meeting of the outgoing and newly elected Executive Committee for handing over the charge and Pro-tem President will be selected. The Pro-tem President will conduct election for seven office-bearers, from amongst members of the Executive Committee, for the duration of two years of the Office of the Executive Committee on June 20. Office-bearers will take

charge of the office immediately after their election [\[Click here for details\]](#).

GAABESU Scholarships & Fellowship Update

- Reported by Rajdeep Dutta, '88EE

GAABESU is pleased to announce the winners of alumni fellowship in excellence (AFE) for 2008-09. The objective of this new category of award is to promote excellence in academics, leadership and extra-curricular activities at BESU. With this announcement, GAABESU concludes the selection of all our student awards which started with admission grants and then scholarships for 2008-09:

1. Prof. Naresh Chandra Bose Award for Excellence in Civil Engineering - Pamela Chakraborty ('08 CE).
2. 150 Years Commemorative BECAA-Maharashtra Prize for Best Sport Person of the Year - Shivtosh Kumar, 2nd Year, IT.
3. 150 Years Commemorative BECAA - Maharashtra Fellowships (2) - Aritra Saha, 1st Year, ME & Rajen Madan, 2nd Year, ETC.
4. Class of 1990 Award: "Excellence in Leadership" - Sabyasachi Mukherjee, 4th Year, MinE.

NORCAL Alumni Family Dinner, California, USA

- Reported by Niladri Sannigrahi, '01 CE

The Northern California Chapter of BESU Alumni Association (NORCAL BECAA) organized their 2009 Annual Family Dinner on March 7 at Aroma Cuisine of India in Castro Valley, California. We had a turnout of 22 pre- and post-millennium alumni. We started off around 7:00 PM with a warm welcome by the organizer, Niladri ('01 CE), followed by an informal introduction.

Alumni ranging from early sixties (1962) to millennium age (2001) shared sweet memories of their beloved B E College. Raffle tickets were distributed to all the attendees. Kids were given a special recognition and were presented with classic chocolates. [Click [here](#) for details]

BECAA, East Coast Annual Dinner

- By Arindam Mukherjee, 90ME

BE College alumni association of Tri -State area (NY/NJ/CT) organized its Winter Reunion celebration on February 14 in Princeton, NJ. Yes – it was the Valentine’s Day and that was an added charm! Like last few years, winter event was hosted in Crown of India restaurant. Unlike summer reunion, which typically has outdoor sports thrown in and is organized in a park, near sub-zero temperature of February forces all of us to head straight from the car to the banquet hall of the restaurant. But there is one common factor among all our reunion events – “endless adda” and performance by alumni & family members. Click [here](#) for additional information
