Subject: Up gradation of seven Institutions to IIT / INI level.

Dear Sri Singh,

You may kindly recall our discussion with you on 3rd May, 2005 regarding up gradation of our University to IIT / INI level and necessary financial support from MHRD.

We are grateful to you for actively considering our submissions and presentations made so far to the Ministry.

In this context we enclose a copy of the resolution adopted unanimously by the Academic Council today which expresses the consensus opinion of the University community on this issue, for your kind perusal please.

We hope, with the collective wisdom of the State and the Central Governments our transformation to IIT will be finalised soon.

With warm regards,

Your sincerely,

(Dr. N. R. Banerjea)
