Date: November 10, 2005.

Prof. Satyasadhan Chakraborty
Hon'ble Minister-in-Charge
Department of Higher Education
Government of West Bengal.
Bikas Bhawan, Salt Lake
Kolkata - 700091.

Subject: Up gradation of seven Institutions to IIT / INI level.

Dear Prof. Chakraborty,

You may kindly recall our discussion with you on several occasions regarding up gradation of our University to IIT / INI level and necessary financial support from MHRD.

We are grateful to you for kindly agreeing in principle to the proposal of up gradation of our University to IIT / INI level.

In this context we enclose a copy of the resolution adopted unanimously by our Academic Council today which expresses the consensus opinion of the University community on this issue, for your kind perusal please.

We hope, with the collective wisdom of the State and the Central Governments our transformation to IIT will be finalised soon.

With warm regards,

Your sincerely,

(Dr. N. R. Banerjea)
