## **An appeal from Pampa Sen, wife of Arindam Naskar (June 15, 2013)**

With respect I would like to inform you that, I Pampa Sen and my Husband Arindam Naskar, We are both students of BESU (PTCE) and passed BE in 2011.

On 17th of last month (17/05/13 ) at way back to Home from office My Husband has faced a severe Road Accident (By his Scooty with Truck) at NH-6 near Alampur Crossing. By the accident, His upper throat, and both the legs were massive injured. Police and Ambulance were called by local people and HRBC. Then, He was admitted to Howrah State General Hospital, Howrah by Police.

At that Midnight We had reached there, and we are asked to wait there at ground floor. At next morning We came to know that There was no treatment, x-ray nothing has done.

We had to take him to Nightingale Hospital on that day(18/5/13) about 1pm and He was Admitted there under Dr. Indrajit Sardar (Orthopedic Surgeon)and there His Vascular Reconstruction and Knee temporary setting of his Right leg has been done, after 2 days of spending further OT named by, Faciotromy OT has been done. But after a few days his status was going to be deteriorated time to time.

As per doctor advice and Consultation, we have admitted the patient to C.M.R.I. (Calcutta Medicales Research Institute) Hospital which is situated at Ekbalpure (near Khidderpore) on 28/5/13 under Dr. Anupam Golash (Plastic Surgeon).

On the next day in OT (29/5/13) his right leg had to Amputated below knee, there was no further option. As per Doctor's opinion, after some days of Treatment, and dressing Further Amputation above knee, has taken place on 8/6/13.Till today My Husband is under treatment and several OT dressing (not possible in Ward) under Dr. Golash, Bed no.-4019. Till-date All the medical documents are submitted in C.M.R.I. Hospital.

Sir, till date We have collected a lot of Money (above 5 Lac) from our own, for both the hospital The bill has crossed the amount of 5 Lac. All the documents we are ready to produce. My husband has to take Artificial Limb. We went to Endolite (Where Artificial Limb is made) by Doctor's reference, but they had estimated Rs.5 lac (Approx) for the Normal Limb(for Plain & Aqua purpose),Rs. 1 lac due in Nightingale Hospital, and they are forcing for payment immediately.

I have sold everything valuable things, ornaments but I am very much helpless to collect the money of Artificial Limb. Please help me.

My husband is working in Panchla Panchayat as Employed Engineer (Designated as: Nirman Sahayak). So there was no medical support in Panchyat division. However, office colleagues are helping and they provided me 1 lac from their own, which I paid in Nightingale. I need to make the artificial limb but I am very unfortunate that I have no money. Still I need 6 Lacs immediate by one month. I am seeking help from GAABESU to please help me as per your possibility.

Thanks and Regards.

Yours faithfully,

Pampa Sen
