Emergency Fund Appeal:

Help the surviving family of Late Kishalay Mondal (06MET)

Background:

Following emails from his batch mates are self-explanatory:

Friends,

The unrecognisable person in the photo is our always smiling, happy go lucky (not so), Kishalay Mondal.

Kishalay is suffering from colon cancer from last four years and is now almost in the last stage. Doctors are also feeling helpless.

Due to the heavy expenditure of cancer treatment, his family is not in position to continue the treatment. He is counting his days...

We can support Kishalay and his family by contributing something. It may extend few days of father's love to his daughter, who just started schooling.

A humble request to help our friend...

In case of any clarification, free feel to contact Alokesh (9051187330) or me (7682810134)

Dear Sir, Madam,

I am Amalendu Mukherjee, Metallurgy 2006 batch. I am reaching out to you as an Alumni and a GAABESU life member.

We came to know about our dear friend Kishalay Mondal, Metallurgy dept batch of 2006 from B. E. College. Please see below email from my friend Ram Sandipam (Met, 2006 batch). In our personal capacity, we are trying to help individually since he requires funds immediately to continue the expensive treatment, just to keep him alive. From my discussion with Alokesh Mondal (Met, 2006 batch), it seems like Kishalay's days are numbered, and his immediate family of wife and 4 year old daughter will need all the support that they can get.

Is it possible to start a fund in the name of Kishalay Mondal and his wife Mitrani (Ghosh) Mondal? If so, can you please let us know the process? We can provide all the relevant details of Kishalay and family.

Alokesh or Ram can reach out to you either personally or by phone if you need further details.

regards,

Amalendu Mukherjee, Metallurgy, 2006, New Jersey, USA, Phone: +1-732-208-5298.

Unfortunate Recent Update:

Partha da,

We have bad news. Our dear friend Kishalay is no more. He passed away yesterday night leaving behind his wife and daughter. We would like to continue the fund collection so that Kishalay's family can get whatever support possible in this difficult time. Do we need to change the fund collection appeal?

Regards,

Amalendu Mukherjee, +1 (732) 208-5298
