### Emergency Fund Appeal:

### Help the surviving family of Late Sajal Paul (2014 ME)

#### Background:

Following email from Anup Kumar Mondal of 2014 Civil Engineering is self-explanatory:

Respected B.E. College Alumni,

With grave heart we bring to your notice the sad demise of Sajal Paul (Vill + PO - SENDANGA, P.S. - ASHOKNAGAR, DIST - NORTH 24 PARGANAS, PIN - 743272), our beloved batch mate and a junior of yours. He was from the Department of Mechanical Engineering in the batch of 2010-2014. He joined Bridge and Roof Co. and was posted at Hindustan Petroleum plant near Vijaywada, Andhra Pradesh.

Due to an unfortunate road accident while traveling back to his place of residence, he lost his precious life. His sudden departure has brought down the living morale of his family consisting of his aged father, mother and elder brother. Also his family is in a deep financial crisis as he was the only stable earning member of his family. He was rewarded and made the site in charge at this age and his minimal experience and was also recognized by both his Company and HP for being an honest, trustworthy and hardworking employee.

We, his batch mates therefore request to your good self to arrange for some measure to provide a financial aid to his family. We are in continuous support to them and request every one of you to help his family to come out from this situation. Please provide us with a path forward. We will be highly obliged for your help and your warmth for a dear junior of your alma matter.

May his soul rest in peace.

Sincerely,

Batch of 2014
