E&TC 1997

Dear Alumni/Alumnae:

You are probably aware of untimely passing away of one of our alumni, Sougata Mukherjee (E&TC'97) who was working with TCS in Mumbai. He died suddenly of stroke in his sleep on 12th July morning at a young age of 37. We are all shocked by his premature death. It is even harder on his nearest ones who have to go on with their lives in his absence. It is difficult for us to understand the anguish, his wife and beloved six-year old son are going through.

A perfectionist to his core, Sougata was not only known for his academic brilliance amongst BESU's teaching fraternity, but also for his progressive outlook and involvement in students' welfare, sports activities (he was a TT Champion) and numerous cultural events within the university. As the treasurer of **REBECA 95**, a landmark in the history of this annual Alumni Meet, Sougata played a **leading** role in setting up the organization and executing the event. This accomplishment catapulted **REBECA** to a new height of success and recognition. We, all, remember him to be a down to earth, fun loving, and extremely amicable human being, looked upon by his friends and colleagues as a true friend and a mentor.

He joined **Tata Consultancy Services** after graduation and within a brief period, became an integral part in one of the leading accounts of this global organization. He demonstrated his loyalty and dedication to the organization by continuing with the same account he joined as a trainee, till the very end, a rarity in today's professional world. His immediate professional colleagues attest to his commitment, sincerity, innovation and astute management capabilities.

A condolence meeting organized by his well-wishers, held in the Institute Hall (BESUS) on 28th July 2012, was attended by his batch mates, seniors & juniors amongst whom he was quite popular and Prof. Ajoy Roy (VC), Prof. Aditya Bandyopadhyay, Dr. Biman Bandyopadhyay (Registrar), Col. A.K.Ghosh (PICSA) and faculty members of the Dept. of E&TC.

In order to help his family in this difficult time and do something in his memory @BESU campus, we have decided to raise a fund. We request all of you to come forward and contribute generously for this great cause.
