

An Appeal to help Late Souvik Ghosh (99CE) Surviving Family

Initiated on January 3, 2015

Last Updated on March 3, 2015

Goal – 10 lacs, Funds Raised Rs 12.26 lacs (March 3, 2015)

This New Year is NOT going to be the same again for the Ghosh family and many of their extended BEC family. Souvik Ghosh (99-CE) aka 'Boudi', is no more with us. He was fighting with Cancer since 2009 and literally refused to bow down for 5 long years to this dreaded disease. Souvik lost his battle on 18-Dec-2014 and we lost one colorful page from our B. E. College chapter of life. He would not join us any get-togethers or, reunions. Life would move on, but our cherished memories with 'boudi' at Bending Moment, Oval or REBECA would remain forever with us. He is survived by his unfortunate 10 year old son, wife (homemaker) and aged parents (Souvik being the only child of his parents).

Friends of late Souvik decided to raise fund with the consent of his family (father: Gautam Ghosh), and GAABESU has agreed to provide the logistics to raise a fund for building a corpus amount which will support the education of his son. GAABESU appeals to all BEC/BEDCU/BESU Alumni to generously donate to the cause of the Souvik Ghosh (99CE) and support his immediate family, in this hour of need.

A brief description of the case

- He was first diagnosed Hodgkin's Lymphoma in June 2009. He was treated by chemotherapy and radiation at Apollo cancer Hospital, Kolkata.
- Relapsed in January in Jan 2011. Underwent Bone marrow transplantation in April 2011 at Apollo Cancer Hospital, Kolkata
- Further relapsed in January 2012. Thereafter he was on homeopathic treatment since March 2012 to March 2014.
- Then Souvik was diagnosed with Chronic Kidney disease due to aggravation of lymphoma in his body. Both kidneys failed and he was under dialysis, since May 2014.
- His condition started deteriorating since Sept 2014 and his lungs and pelvis got affected with cancer. He was unable to walk, speak and breathe properly. He continued office till end-Nov.
- On 01-dec Souvik was admitted in Columbia Asia Hospital. He breathed his last at 8.00am in the morning, 18-Dec-2014.
